SYED AJMAL Q

Mobile Number : 6382367843 | Email : syedajmalq@gmail.com | Location : Chennai, Tamilnadu

Career Objective

· Adaptable engineer, offering extensive knowledge in Java.
· Ability to complete tasks on time in both individual and team settings. Seeking for opportunities to broaden my skills.

Internship Experience

JAVA WEB DEVELOPER - (INTERN) | Cerp Software Solution Pvt.Ltd | July 2022-March2023

· Developed a hospital management system. In this project, the aim is to develop an application program which will reduce the amount of manual work required.
· This project was completely crafted at the administrative level. Therefore, in order to maintain the integrity of the project, only the administrator will be allowed to have access to it which will elevate the efficiency of managing a hospital by 30%.

FRONT END DEVELOPER- (INTERN) | Teenofes Tech Solutions Pvt.Ltd | March 2022-May 2022

· Developed a user interface for the library management system that enhanced the system's overall functionality and usability in addition to improving the system's overall performance.
· Involved in the front-end design of the user interface for an ERP software application that would be used in a physiotherapy clinic.
